

“SPONSOR A SCHOLAR” PROGRAM

“SPONSOR A SCHOLAR” Program is an opportunity to personally connect with a Scholar aka Student of your own choice. Sponsor will walk alongside as the Scholar work on achieving his/her college degree and Sponsor will be able to help underprivileged students reach their God-given potential.

When you sponsor a scholar, your donations will impact the life of that student for a lifetime. The contribution of the Sponsor is tax deductible. This program is God-centered and student-focused.

How it works:

- The Sponsors choose a Scholar they want to support in order for that Student to obtain a college degree. The following information should be provided:
Full Name of the Student; Address of the Student; Name and Address of School; Course being taken; Number of years to finish the course
- A Letter of Commitment will be signed by the Sponsor and the Scholar indicating that the Sponsor is committed to helping the Scholar but under the Sponsor’s own discretion and in return the Scholar or the student is committed to finish the chosen course or career.
- Sponsor will donate to Serving & Sharing Foundation Inc. the amount as needed by the Scholar and then Serving & Sharing Foundation Inc. will provide that same amount or funds to the respective Scholar accordingly. 100% of the Sponsor's donation goes to the Scholar. Scholar must provide all the receipts of payments made to the school or university.
- Serving & Sharing Foundation Inc. will be the service arm and will serve as a liaison between the Sponsor and the Scholar.

All Sponsorships will be regularly measured against goals and objectives.

The journey will be in three phases:

- Building Trust and Laying Groundwork

Each Scholar is matched with a Sponsor. This one-to-one connection is a powerful way to share God's love and blessings as the Sponsor prays for the success of the Scholar, write letters or emails and send photos for communication and encouragement.

- Building Hope and Skills

Sponsors bring hope to the Scholars as they develop their own skills.

- Building Confidence for Future

The goal is to help underprivileged students.

Over time, Sponsors will get to watch the impact of their donation on their Scholars, their family, and their entire community, celebrating with them along the way. The result is real, lasting change for your sponsored scholar and those around them. Enjoy the journey and see proof through email correspondence and annual progress report and that great support is changing lives and allowing sponsored scholars / students to dream about the future.
